May/June Dates for Parents

- **The Nursery day has changed to 8.55am -1.25pm on a trial basis. This is to allow the traffic to flow a little more easily and to allow Primary children to be left to school on time. Please pick up the children at the allocated time please.**
- **Please note the extra European Election day on Thursday 23rd May due to the ongoing debate over Brexit. The school sports day has been brought forward a day to Wednesday 22nd.**
- **School starts at 8.55am Please have children in on time. The first few minutes in school are really important for administration duties like dinners and for taking homework down. Children arriving late causes disruption for the teachers, office staff and the kitchen staff.**
